

OUR PURPOSE

The mission of Saint Stephen's Episcopal School is to:

- provide a superior academic program which prepares each student for a college or university compatible with the individual's academic ability, interest, and needs;
- instill in each student a love of learning, a respect for all members of the school community, and a fundamental sense of integrity;
- provide a nurturing environment which values independence and self-worth, health and wellness, spiritual awareness, and responsible global citizenship.

OUR PROMISE

Our guiding promise is simple, yet profound:

“Every child will be known and every child will be valued.”

OUR PLEDGES:

To meet our full potential as a school, we commit to the following:

EXCELLENCE

We will help our students grow and thrive by fostering academic, artistic, and athletic excellence through student-centered focus, passionate educators, and evolving, innovative practices.

RESPECT

We will fulfill our Episcopal Identity and cultivate mutual respect by honoring all faiths, affirming the dignity of all people, and encouraging open dialogue in all areas of the school.

COMMUNITY

We will prioritize human connection by creating meaningful opportunities for our entire community to gather, create lasting relationships, and build the trust and safety required to do more together than we could individually.

OUR PATH

As we look to the future, we are guided by an ambitious vision:

Rooted in our Promise and Episcopal values, we will empower every student to discover and develop their interests, talents, and character through outstanding foundational programs and unique signature opportunities.
