

# Earn money & supplies for Saint Stephen's through our valuable community partners

My Coke Rewards codes can be found on different packages/bottle caps, including DASANI®, Sprite®, Minute Maid®, POWERADE ION4® and more. Go to [www.mycokerewards.com](http://www.mycokerewards.com) to register and donate points we can redeem for school supplies.

Raise money for Saint Stephen's with on-line searches and shopping. Go to [www.iGive.com](http://www.iGive.com) to register. Use the iGive search engine and earn money for each search. Shop the 800+ iGive retailers and earn cash back for our school.

Bring your old cell phones and empty inkjet cartridges to a donation box on campus (campus center and division offices). Saint Stephen's receives funds for each donation, plus, you help keep our planet "Green."

Collect Box Tops For Education from participating grocery and office products. Each classroom in the Lower, Intermediate and Middle School has a collection box. Clip the Box Top from the product (don't cut off the expiration date!) and send to school with your child. Watch for special contests in Fall and Spring.

All proceeds from community partners are utilized by the Parents' Association to benefit our children and our school.
