

## Cultural Performance at the International Afternoon

On the last day of the conference countries are invited to share a cultural performance with the entire conference group. It may be a song, dance or musical instrument performance that represents a special aspect of a country. Performances are NOT required, but are encouraged. It is always a highlight of the conference! Countries sending more than one school are encouraged to plan together as only one performance per country is planned.

**Directions:**

To complete this form: 1. **DOWNLOAD** pdf form and **SAVE** to computer, 2. Type information. 3. **SAVE** to computer, 4. **ATTACH** completed form to an email addressed to [waterislife2020@saintstephens.org](mailto:waterislife2020@saintstephens.org) by March 1, 2020
